This is a estimate only, based on the plans and specifications given to us. We agree to furnish only the quantities and materials as listed on this estimate. It is the responsibility of the buyer to determine if the quantities and materials estimated are sufficient to do the work. Changes in plans and specifications will affect the cost of this project. Errors and omissions are subject to correction. These prices are good for 30 days. After 30 days, this estimate may have to be repriced, based on current market conditions.
