ITEMS OF NOTE:

Tax Due

- 1. Report is based on the city tax reported for the specified city by SIC code and by city rate.
- 2. TAXABLE: This is the amount of sales and use taxable sales subject to the city tax rate shown.
- 3. TAX DUE: This is the amount of city tax reported by the sellers.
- 4. N/A: Whenever there are less than 3 licenses in any one classification the amounts reported are listed as N/A due to confidentiality.
- 5. All N/A sales are grouped into an "Other" category.
- 6. Sellers reporting the tax include those located within the specified city and those located both in-state and out-of-state who are reporting the specified city's tax. For example, a seller could be a retailer located out-of-state that delivers tangible personal property into that city.
- 7. Contractors' Excise Tax is not included since that is a state tax, but any city use tax reported by a contractor on their purchase of goods and services is included.
