

**PROCLAMATION  
CITY OF HARRISBURG  
2016-01**

It shall be proclaimed:

WHEREAS an estimated 50,000 Americans and 1 million people worldwide have been diagnosed with tuberous sclerosis complex (TSC), a genetic disease with no cure; and

WHEREAS tuberous sclerosis complex is often a devastating disorder that causes tumors to form in vital organs, including the brain, heart, kidneys, skin, liver and lungs; and

WHEREAS the disease is also the leading genetic cause of both epilepsy and autism; and

WHEREAS tuberous sclerosis complex affects some people severely, and others so mildly it often goes undiagnosed; and

WHEREAS the incidence of TSC is as common as Lou Gehrig's disease (ALS) or cystic fibrosis, so increased awareness is vital; and

WHEREAS the Tuberous Sclerosis Alliance and other groups around the world have joined together to promote awareness of the disorder to ensure people with TSC get the best possible treatment and proper diagnosis;

NOW, THEREFORE, I Julie Burke-Van Luvanee, Mayor do hereby proclaim May 15, 2016 as

**“TUBEROUS SCLEROSIS COMPLEX GLOBAL AWARENESS DAY”**

THROUGHOUT Harrisburg and urge all of our citizens to support the search for a cure and assist those individuals and families who deal with this challenging disease on a daily basis.

JULIE BURKE-VAN LUVANEE , Mayor City of Harrisburg

Dated: April 4, 2016
