

Hi Mary,

Alysia informed me at our meeting this week that our 2016 HEDC/Chamber funds are already approved and that I just need to officially request the check. So, may I have the allocated HEDC/Chamber funds from the City for 2016 please? 😊

I'm copying Courtney on this e-mail so she can take care of making the deposit. Please let me know if there's anything additional we need to do.

Happy Friday!

Adrienne
