Cost Proposal (PRICING GOOD FOR 90 DAYS FROM 10/28/2016)

The Web-based CodeRED® service, from Emergency Communications Network LLC (ECN), was designed specifically to enable clients to rapidly record, send and track personalized voice, email, text and social media messages. The dedicated, triple redundant network and patented delivery methods employed by ECN add to the value of this affordable, high-speed notification system that has been in operation since 1998 and is currently used every day by clients from coast to coast.

A one (1) year license includes 24/7/365 uninterrupted CodeRED system access and the following

- CodeRED system set-up and training
- System time, designed to be more than sufficient for normal usage
- 10,000 system minutes, replenished annually
- Unlimited text, email and social media messaging
- Unlimited RSS and website widget notifications
- Unlimited Mobile App Notifications
- Initial residential and business calling database supplied by ECN
- Integration and geo-coding of customer supplied data (911 data, utility data, etc.)
- ECN standard mapping and geo-coding
- Unlimited use of ECN Launcher App
- Residents can call back toll free number on caller id to replay latest message
- 24/7 technical support
- Complimentary system time for testing and training
- Design and hosting of custom Web page for community enrollment

\$3,379.00 = Annual Cost

Thank you for the opportunity to present CodeRED and submit this cost proposal. If you have any questions, please feel free to contact me.
