Their day-to-day observation will not, however, cause Stockwell to be responsible for those duties and responsibilities which belong to the construction contractors, including, but not limited to, full responsibility for the means, methods, techniques, sequences, and progress of construction, and the safety precautions incidental thereto, and for performing the construction work in accordance with the Contract Documents.
- 7.0 Right of Entry.** Client must provide for entry to the Project site for Stockwell's agents, employees, contractors and consultants and for all necessary equipment.

- 11.0 Waiver.** Stockwell's waiver of any term, condition, or covenant or breach of any term, condition, or covenant, will not constitute a waiver of any other term, condition, or covenant, or the breach thereof.
- 12.0 Entire Agreement.** This Agreement, and its attachments, constitutes the entire understanding between Client and Stockwell relating to services to be provided by Stockwell and supersede any prior or contemporaneous agreements, promises, negotiations, or representations not expressly set forth herein. Subsequent modifications or amendments to this Agreement must be in writing and signed by the parties to this Agreement. The foregoing notwithstanding, if Client, its agents, officers, directors, employees, contractors and consultants request Stockwell perform extra Services pursuant to this Agreement, Client must pay for the additional Services even though an additional written agreement is not issued or signed.
