Re: Request for allow chickens at 209 Prairie Street.

Dear Council Members:

I met last Thursday with Mrs. Slocum at her property, 209 Prairie Street, concerning a request to keep chickens. There were no code violations apparent on this property.

The coop will be a converted dog house and will be located adjacent to the fence west of the home. Mrs. Slocum is proposing to have six (6) chickens.

This property appears to meet the criteria for allowing chickens.
