

## ANIMAL LICENSES

Residents within the city limits are required to license their animals annually. These licenses will be included in each Spring Newsletter. If you no longer have the animal that has been licensed, please contact the City Office. The city does not send out tags for your animal, however if you would like one, please stop by the City Office during business hours and we will see that you get one. Also, your animal must be immunized against rabies and their shots must be kept up to date.

- 🐕 Owners of any dog, cat, or other animal held as a domestic pet shall not permit such animal to run at large at any time. A leash is required at all times. If found running at large, these animals are impounded and expenses are paid by the owner.
- 🐕 The City receives many complaints of barking dogs. There is a City Ordinance on the disturbance of the peace by animals, therefore we ask that you please monitor your animals and take the necessary steps to alleviate the problem. There is a \$50-\$100 fine relating to this.
- 🐕 When walking your pet, please carry a bag with you to clean up after your pet and dispose of properly.
- 🐕 **PLEASE STOP AT THE CITY OFFICE TO REGISTER YOUR ANIMAL. THIS IS A \$5.00 ANNUAL FEE.**
