2021 HARRISBURG SINGLE FAMILY RESIDENTIAL CITY WATER AND SEWER RATES

City of Harrisburg has a tiered water rate structure for single family homeowners that includes increasing block rates. The base rate is \$7.66 plus \$.90/1000 gallons from 1000-3000 gallons used, \$3.40/1000 gallons from 3,001 to 6,000 gallons, \$8.69/1000 gallons from 6,001 to 9,000 gallons and anything over 9,001 gallons the rate is \$13.85/1000 gallons.

The water rate also includes WSC-02 RES (Surcharge) of \$.99 per each 1,000 gallons used for the repayment of a surcharge revenue bond loan for our Lewis & Clark Rural Water System distribution line maturing at the end of 2028; WSC-03 RES (Surcharge) of \$1.35 surcharge per each 1,000 gallons used for the repayment of a Water System Revenue Bond to pay for the elevated water storage tower and water main maturing in 2031; and WSC-04 (a base fee surcharge) of \$4.84 for the repayment of revenue bonds for water system upgrades on SD HWY 115 maturing at the end of 2039.

Gallons of water used per month	Rates
0	\$12.50
1,000	\$15.74
2,000	\$18.98
3,000	\$22.22
4,000	\$27.96
5,000	\$33.70
6,000	\$39.44
7,000	\$50.47
8,000	\$61.50
9,000	\$72.53
10,000	\$88.72

Sewer rates for single family homeowners are based on an average of your water usage during winter months of December, January and February. The base rate is \$18.18 plus \$14.65

per thousand gallons of your winter average water usage, SSC RES-03 (a base surcharge) of \$5.49 to repay a surcharge revenue bond for the construction of 10.6 miles of 16 inch force main to pump wastewater to Sioux Falls for treatment maturing 2042, SSC- RES-04 (a base surcharge) rate of \$1.88 to repay a surcharge revenue bond for the Columbia Basin sanitary sewer interceptor maturing in 2034 and SSC- RES-06 (a base surcharge) rate of \$8.00 to repay a surcharge revenue bond for the wastewater treatment plant land.

Approximate Winter Average Usage	Rates
0	\$33.55
1,000	\$48.20
2,000	\$68.85
3,000	\$77.50
4,000	\$92.15
5,000	\$106.80
6,000	\$121.45
7,000	\$136.10
8,000	\$150.75
9,000	\$165.40
10,000	\$180.05

Example: Monthly Water/Sewer Bill for a residence that has a 4200 average winter sewer usage and used 6000 gallons of water for the month of September = \$134.52

WSC-02 = Surcharge \$.99 /1000 gal. usage for Lewis & Clark Rural Water Distribution Line (Loan matures 2028)

WSC-03 = Surcharge \$1.35/1000 gal. usage for Elevated Water Storage Tower & water main (loan matures 2031)

WSC-04 = \$4.84 monthly base surcharge for SD Hwy 115 Water Main Improvements (loan matures 2039)

SSC RES-03 = \$5.49 monthly base surcharge for force main to Sioux Falls (loan matures 2042)

SSC RES-04 = \$1.88 monthly base surcharge for Columbia Basin interceptor (loan matures 2034)

SSC RES-06 = \$8.00 monthly base surcharge for Wastewater Treatment Plant land (loan matures 2038)

UTILITY BILLING

Below are a list of reminders for the residents of the city of Harrisburg:

- All residents moving into AND out of Harrisburg are required to complete an application for services or a disconnection of services form.
- Utility bills are due by the 20th of each month and considered PAST DUE and assessed a late fee after 7:00am on the following business day.
- Water restrictions are in effect year-round.
- **SHORT TERM INACTIVITY:** If for any reason, you would like your water service to be suspended for a short period of time, there are two options to consider.
 - The City can shut your water off at the curb and reconnect at a later date of your choosing. During the disconnected time you will not receive a bill. However, you will be billed a \$50 reconnect fee once service is restored.
 - You can turn the water off inside your home and leave the water turned on at the curb. You will continue to pay the monthly bill (minimum of \$48.05) for each month of inactivity.

If there are any further questions or concerns, feel free to contact us using the information below.

To set up a recurring payment online, visit our website at www.HarrisburgSD.gov From here, click on the words "Bill Pay" in the top right portion of our website. Once clicked, you will be taken to the Payment Service Network. You will be able to set up your recurring payments here.

SUMP PUMPS

It is against regulations to run your sump pump hose water into the sewer system (Drain in your home)! Sump pump hoses should be draining away from your home and should not create a public nuisance or nuisance for your neighbor. The city conducts random inspections to ensure that this policy is enforced.

BUILDING PERMITS

Please note that most projects with the city limits of Harrisburg will require a building permit. Items such as fences, decks, pools, hot tubs, finishing garages or basements, or shingling all require a permit. If you have any questions on building permit requirements or costs, please contact the City Office either in person, by phone, or by email.

Visit www.harrisburgsd.gov Building Services tab for more details, estimated a permit cost, or begin and expedite the application process. If there are any questions or concerns, please contact us using the following information.

TREE TRIMMING

Fall is the best time to trim trees and shrubs. Property owners are responsible for keeping overhanging branches cleared from the walkable area of sidewalks and the driving area of streets, as required by Chapter 6.0502 of Harrisburg Codified Ordinances.

6.0502 Duties of Property Owners. It shall be the duty of any person owning or occupying real property bordering on any street upon which property there may be shrubs or trees, to prune or remove such shrubs or trees in such manner that they will not obstruct or shade the street lights, obstruct the passage of pedestrians on sidewalks, obstruct vision of traffic signs, or obstruct view of any street or alley intersections, except where such services are provided for by utility firms.

It shall also be the duty of such person to prune or remove shrubs or trees located in the street right-of-way adjacent to their property. Removal shall be required when such shrubs or trees are diseased, dead, of a prohibited species, or pose a safety hazard or nuisance.

The person owning or occupying such real property shall be responsible for pruning shrubs and trees when they violate clearance requirements. The minimum clearance of any overhanging portion thereof shall be ten feet whenever practicable, and twelve feet over all streets except truck thoroughfares where the clearances shall be fourteen to sixteen feet, unless otherwise determined by the City Council. If you have any questions concerning tree trimming, please call at 767-5010.

CODE ENFORCEMENT

Harrisburg relies primarily on complaints for Code Enforcement. We issue violation notices for such things as:

- Inoperable or unlicensed vehicles,
- Vehicle parts (including tires),
- Building materials,
- Garbage,

- Discarded appliances or furniture,
- Parking on lawns in front of or beside homes,
- Campers, boats, or trailers parked on City streets for more than 48 hours,
- Campers and other vehicles obstructing sidewalks,
- Unfenced swimming pools, and
- Property maintenance violations such as peeling Paint and damaged trim or siding
- Violation of water restrictions

This is all done to keep people safe and keep our City looking good!

Please also note that no person shall park any recreational vehicle on any street within the City for a period longer than forty-eight (48) hours. A recreational vehicle is defined to include, but shall not be limited to, the following:

- Cargo trailers;
- Travel trailers;
- Pickup campers or coaches;
- Motorhomes;
- Camping trailers;
- Boats and boat trailers;
- Snowmobiles and snowmobile trailers;
- Jet skis and jet ski trailers;
- Golf carts and golf cart trailers;
- All-terrain vehicles and all-terrain vehicle trailers;
- Dirt bikes and dirt bike trailers; and
- Any other recreational equipment

Vehicles are required to be parked at least 30 feet away from yield signs, stop signs, and traffic signals. They also have to be at least 30 feet away from a pedestrian safety zone when parking. Drivers cannot park within 15 feet of a fire hydrant, or within 50 feet of a railroad crossing.

ANIMAL ORDINANCES

The City of Harrisburg contracts with the Sioux Falls Area Humane Society. Any lost animals or animals in violation of the city ordinances will be brought to SFAHS 605.338.4441.

License Application - Any person desiring to keep, maintain, or have in his custody or control within the municipal limits of the City any cat or dog shall, within seven days of acquiring such pet and thereafter every year, submit to the City Finance Office a Pet License Application.

A valid rabies certificate shall accompany each application, stating the name of the veterinarian who administered the inoculation, the date it was given, and the length of time during which such inoculation will be effective, which shall be at least as long as the license period.

License Fee - Each Pet License Application shall be submitted with a license fee according to the following schedule:

- Neutered/spayed cat or dog: \$5.00
- Unneutered/unspayed cat or dog: \$10.00

ANIMALS AT LARGE

It shall be deemed a violation for any person who owns or who has under his care any animal to allow said animal to run at large. Any animal shall either be on a leash or tether controlled by a person, or properly secured to a leash which has been tied to an immovable object, or confined within an enclosure sufficient to keep said animal restrained from escaping such enclosure.

No animal shall be leashed to an immovable object so as to permit the animal to walk on or over any public sidewalk or street, or any property of another person other than that of the owner of said animal.

Any person that controls or restrains any animal by hand, leash or tether shall be physically capable of effecting positive physical control and restraint of the animal at all times. Any animal

not confined by leash, tether, or enclosure as set forth herein, is hereby declared to be running at large and is hereby declared to be a public nuisance. The fine for an animal running at large is \$100.00.

DISTURBING THE PEACE

It shall be deemed a violation for any person owning or possessing any animal to suffer or permit such animal to disturb the peace and quiet of the neighborhood by barking, howling, crowing, crying, or making other loud or unusual noises.

It shall be the duty of any person in possession of any such animal which disturbs the peace and quiet to dispose of the disturbance even if disposing of the animal is the only effective means.

If the event that an animal is making any noise to disturb the peace and quiet of a neighborhood and the person owning or having the care or custody or control over the animal cannot be found to remedy the disturbance or, if found, refuses or fails to remedy the disturbance, then the animal may be impounded.

ANIMAL EXCRETA

Anyone walking an animal on public or private property other than his own must carry with him visible means of cleaning up any excreta left by the animal. The fine for not promptly removing and properly disposing any excreta is \$50.00.

LIMITED NUMBER OF DOGS AND CATS

No person, or group of persons shall own, harbor, or keep more than five dogs or five cats, nor any combination of dogs and cats greater than five in number, over the age of six months old, at any one location (in or on property or vehicles owned, rented, leased or occupied by said person or group of persons) within the

municipal limits of the City unless said dogs and/or cats are kept in a kennel, pet boarding facility, or veterinary clinic that complies with the City's zoning regulations.

STREETLIGHT OUTAGES

If you see a streetlight that is not operating normally please inform the appropriate company. This will ensure that in case the City has not noticed the outage yet that it will be reported and fixed in the fastest manner possible. There are currently two electric companies that operate within the City of Harrisburg. Xcel Energy and Southeastern Electric.

There is a Power Company Territory Map located on the City website to help you determine whom you should call if you have a streetlight outage. www.HarrisburgSD.gov

- To report an outage to Xcel Energy, call 1-800-960-6235
- To report an outage to Southeastern Electric, call 1-800-333-2859

RESIDENTIAL SNOW REMOVAL

Duty to Remove. It shall be the duty of the owner, tenant, or person in possession of any property abutting on any sidewalk to keep such sidewalk and boulevard free from snow and to cause any accumulated snow to be removed within forty-eight (48) hours after the termination of any snowfall, or snow accumulation.

Disposal of Snow. It shall be the duty of the property owner, tenant, or person in possession of any public or private driveway, parking lot or parking area or boulevard to dispose of accumulated snow upon such property in such manner that any snow when removed shall not be deposited upon any sidewalk or within or upon any public street or alley, or in a manner that will obstruct or interfere with the passage or vision of vehicle or pedestrian traffic.

Removal Costs Assessed. In the event any owner, tenant, or person in possession of any property shall neglect or fail to or refuse to remove such snow or ice within the time provided, the City may issue a citation for such violation and may authorize such removal with the costs to be assessed against the abutting property owner. (SDCL 9-30-5)

SNOW PLOWING AND WINTER ROAD CONDITION FREQUENTLY ASKED QUESTIONS

Here are answers to the most commonly asked snow plowing and winter road condition questions. Please take a moment to look through these questions first before calling.

During storms, we are often very busy and want to use our time (and your tax money) as effectively as possible by focusing on plowing rather than answering duplicative questions from residents.

These answers will better inform you about our snow removal policies and procedures. If you have a medical emergency, please contact us immediately.

1. What is a “Snow Alert?”

The City of Harrisburg may declare a “Snow Alert” when an accumulation of 2” is either forecast for the city or should the city have no prior forecast warning, when the snowplows are dispatched. This could also include blowing or drifting snow that would require plowing. We will issue a starting time and ending time for the alert and depending on the conditions may extend or lift it.

2. How is a Snow Alert Communicated?

The City of Harrisburg communicates via several mediums including: CodeRED notifications – Emergency phone, text or email notification. If you haven’t registered please do so by visiting the City of Harrisburg’s website at www.harrisburgsd.gov and clicking on CodeRED. This notification will be your fastest notification.

- KSFY-TV
- RESULTS RADIO

3. Why can't you plow my street first?

We wish we had enough snowplows and drivers to take care of every street right away, but our resources are limited and so we must adhere to a carefully laid out system for clearing the streets. If we allowed our plows to be diverted each time a special request was made, it would take far longer to get all the streets in the city cleared. To keep our snow removal operations as effective and efficient as possible, plows are not permitted to deviate from their assigned routes. Our Primary Snow Route streets hold first priority for

snow plowing. Please refer to the Primary Snow Route Map.

4. Can you tell me exactly when my street will be plowed?

Under ideal circumstances, we can predict fairly accurately when we will have streets in various sections of the City plowed. As weather conditions change, we often must alter our snow-fighting strategy in the midst of the snow removal operations in order to control drifting snow, ice or other special problems. We cannot give you an estimate of when your street will be cleared due to ever-changing weather conditions.

5. Why don't the trucks plow and sand/salt on the way to their routes?

Each snowplow has an assigned route. If the trucks spread sand/salt on their way to their destination, then they wouldn't have enough to spread along their own route. Plowing along the way would mean it would be just that much longer until the truck reached its assigned route. Spreading/sand salt occurs after streets have been plowed.

6. What about cul-de-sacs?

Cul-de-sacs present plowing problems ranging from difficult to impossible. A plow can easily cut an 11-foot path through the snow on a straight road surface but trying to plow and turn the blade in a small circle in a cul-de-sac is very difficult and time consuming. The most efficient way to clean cul-de-sacs varies by neighborhood and may require us to come back at a later time to remove the pile of snow that has been created. Why do you sometimes salt instead of plow, or plow instead of salt? Different types of storms require the use of different snow-fighting techniques. The decision whether to salt or plow depends upon the expected weather conditions. For example, if the temperature is below 20 degrees and not expected to rise, salt will not

be effective. But if the sun is shining and the temperature is 20 degrees or more and expected to remain steady or to rise, then salt would be more effective. The decision whether to plow or salt is made with great consideration and based on the latest weather information available. Plowing under the wrong conditions can create a polished street surface, resulting in dangerous glare ice. The decisions made by our experienced crew and supervisory personnel are critical.

7. The plow left some snow at the end of my driveway. Why can't the city just move it?

There are approximately 2,000 driveways in Harrisburg. If we used all of our plows and spent just 60 seconds per driveway, it would take several days to clean driveways alone. One thing you can do to minimize the problem is to pile snow that has been shoveled from the driveway on the downstream side of the driveway. Then if the snowplow hits the pile, it will be moved onto the grass or sidewalk, not back into your driveway. When a snow alert is declared, the city lists "begin" and "end" times. Any time during the snow alert period cars can be ticketed and/or towed.

8. I got a ticket, but my neighbor didn't. How does that happen?

The Lincoln County Sheriff's office serves several capacities during a snow alert. They can start ticketing but be called to an accident or some other emergency and return hours later to continue ticketing. Thus, it is not a continual process and we remind residents that ticketing, and towing can happen any time during the snow event... even if the street has already been cleared.

9. If the street has been cleared, why can I still get a ticket?

Our snowplows and truck make several passes on the roads and need access to all streets (secondary roads, cul de sacs, etc.) during the entire event. That is the reason for the "end" time. Please note that conditions change and

sometimes the "end" time needs to be extended. If it your responsibility to stay informed of any changes.

COMMUNITY DEVELOPMENT

The City of Harrisburg is pleased to welcome Kevin Fitzgibbons as the newest member of the staff. Fitzgibbons brings over ten years of professional communication and development experience as well as a deep passion of public service into this position.

Fitzgibbons grew up in Brandon, and Sioux Falls, and currently resides there with his wife, Maggie (Aldrich) - she grew up in Harrisburg on East Maple and remembers when there was a Pine Tree farm in her backyard - and two daughters, Jane and Molly. His in-laws, Bruce and Suzie Aldrich still live in their house on East Maple.

He will be in charge of the city communications efforts, managing the social media accounts, city programming, and partnering with area leaders, businesses, and municipal groups to further develop the City of Harrisburg. "I cannot wait to jump in, meet with the residents, and listen," Fitzgibbons said. "I want to hear what the residents desire and how they see the City of Harrisburg as it is, and how they want it to look for future generations."

He has already shown a deep interest developing city programming, and passion for the City of Harrisburg and its residents. Feel free to contact him by emailing Kevin.Fitz@harrisburgsd.gov

FROM THE LINCOLN COUNTY SHERIFF'S DEPARTMENT

This summer we dealt with numerous vehicles in Harrisburg that were entered, and numerous items taken. We do see a number of these thefts every year it seems. The citizens have Harrisburg are starting to put more personal security cameras up and that is helping as a deterrent.

We encourage citizens to keep locking their house and their vehicles. As always please communicate with our dispatch center if you see

or hear anything out of the ordinary.

One new tactic we have implemented in trying to deter and catch the suspects entering vehicles at night has been bike patrols. Deputies have been out on bikes several times riding the neighborhoods of Harrisburg at night. Deputies have been vigilant with the bike patrols and vehicle patrols while having a presence in the neighborhoods in Harrisburg.

We care about Harrisburg and have enjoyed the extra exercise while patrolling the neighborhoods on bike. Here are some helpful tips to keep you, your family, and your community safe.

- Keep your garage doors closed at night and when not at home. If you keep your vehicle outside, keep it locked and do not leave valuables inside the vehicle. Leave a porch light/outside light on.
- Keep our children safe. All school zones are 15 mph.
- Speed zones in residential areas are 20 mph. Please remember to SLOW DOWN.
- Stop signs are not yield signs, you must come to a complete stop.
- Do not cut through a business parking lot to avoid a stop sign or traffic congestion.
- Please respect the city parks and equipment. All vandals will be punished to the fullest extent of the law.
- Follow the city ordinances as listed either in this newsletter or on the City's website regarding animals, watering restriction days and times and other city codes.
- Helpline Center is available 24 hours a day/7 days a week for any personal or family crisis. Dial 211.
- For all Non-emergencies: 605.764.5651
- For Emergencies: 911
