Streetlight – Implemented to cover operational expenses related to street lighting. Base rate of \$2.00 per month

Utility Bills are sent the 1st week of each month, and payment is due the 20th of each month to avoid late fees. Unpaid Bills. If a bill for utility services is not paid in full as provided in Chapter 8.0104, the customer shall be given notice by mail that service shall be terminated after five working days. If no payment is received a door hanger is placed and your water shut off is marked, if no payment is received by 8:00 am the following morning, a red door hanger is posted at which time the water is shut off. Full payment of the bill with late fee and reconnect fee is required before water is turned back on.

Rates are reviewed and adjusted annually. This information can also be found on the City website at www.harrisburgsd.gov/billinginfo

Upgrades to metering equipment

The city is in the process of residential water meter equipment upgrades and would appreciate your assistance by calling 605-767-0075 during their regular business hours of 8:00 am – 5:00 pm to set up an appointment to have your upgrade completed. The upgrade should take approximately 15 minutes to complete.
